Lime Rock Fun Days

**Lime Rock Park
NCR PCA Driver Education Event
May 5-6, 2025**

This event is being sponsored by **G & R AUTO WORKS, LTD** *Thanks Gary!*

Please report to your work assignment 5 minutes early if possible.

Staging: At this event there will be 1 or 2 people doing staging. This entails checking for safety: wrist bands, helmet straps, Hans device, seat belts, doors, windows, hoods, shirt sleeves, loose objects, etc.) and assisting the drivers to enter the hot pits, *making sure there is no interference with cars exiting the track.* There will be a track worker at Pit-out to direct cars onto the track.

Control: This involves monitoring the track control radio upstairs in the tower for on-track incidents, logging those events, and making announcements for staging (1st call, 2nd call and last call). If you have never done this job before and have any questions or concerns you are welcome to come up to the tower and check it out.
